## Limey

COROKIA VIRGATA

---

Corokia Limey has a lush green limey fresh look on upright stems with a grey tone. Limey is a borderline hardy, compact, upright, evergreen shrub with broadly lance-shaped, yellow-green to yellow leaves and clusters of small, fragrant, star-shaped, yellow flowers in spring followed by bright red fruit in autumn.

<b>SIZE</b>	H 0.50m x W 0.50m
