Brixton Belle

MAGNOLIA HYBRID

‘Brixton Belle’ is a stunning selection from revered New Zealand breeder Vance Hooper. At the first touch of spring, ‘Brixton Belle’ lights up with its bright pink flower buds, unfurling to reveal elegant petals bathed in a touch of pink, every bloom an enchanting work of art. Its flowers are large (25-30cm diameter) and yet wonderfully delicate. ‘Brixton Belle’ forms a small rounded tree and the first flowering could be as early as 2 years from seed, so you won’t have to wait long to enjoy these beauties in your garden. As a bonus, in favourable conditions, there will be a second flowering in summer. Plant in moist free draining, fertile soils with full sun for at least half the day. Deciduous.

SIZE	H 4m x W 3.5m
BLOOM TIME	Spring
FOLIAGE	Mid-green, deciduous
HABIT	Small, rounded tree
PROPAGATION METHODS	Budding
HARDINESS	Cold tolerant
USDA HARDINESS ZONES	8 to 10
LICENCE	Available Worldwide
PROTECTION STATUS	NZ PVR30844
