Mystic Wonder

DAHLIA HYBRID

The dahlia hybrid 'Mystic Wonder' bears glossy beet-red foliage and dark red blooms on sturdy compact plants that do not need staking. The single, eight-petaled, blood-red blossoms of 'Mystic Wonder' have a contrasting reddish-brown eye. The strong, dense, well-branched plants stand up to rain and wind.

SIZE	H 100cm x W 60cm
BLOOM TIME	Spring/Summer
FOLIAGE	Black
HABIT	Tall/Upright
PROPAGATION METHODS	Cutting
