Brilliant Blue

AGAPANTHUS CAMPANULAS X

Agapanthus 'Brilliant Blue' impresses with its masses of rich dark blue-purple flowers.

A prolific flowerer, 'Brilliant Blue' will shower you with blooms from spring to late summer, setting up to an incredible 100 flowers once mature.

With this intense colour and stunning flowering power 'Brilliant Blue' makes a wonderful pot and patio plant, beautiful in mass plantings and a lovely addition to any cut flower garden.
