Cha Cha (Dance Series)

CORDYLINE AUSTRALIS

Unusual and distinctive earthy colourings, of bright apricot and brown on new growth, provide a major talking point for this Cordyline from the superior Dancing Series, bred in New Zealand. Softly arching foliage then matures to yellow and green, producing a wonderful kaleidoscope of colour, perfect for imparting year-round interest in containers on the deck, patio or at an entranceway. Plant in free draining soil, in sun or semi-shade, in a sheltered position. Low maintenance plant. Evergreen.

SIZE	H 1.5m x W 1.5m
BLOOM TIME	Spring, early summer (selected primarily for foliage)
FOLIAGE	Apricot and brown maturing to yellow and green
HABIT	Clump forming, arching foliage
PROPAGATION METHODS	Tissue culture
HARDINESS	Moderate tolerance
USDA HARDINESS ZONES	9b – 11b
LICENCE	Available North America, Korea, Japan
PROTECTION STATUS	USPP24028
