Paso Doble (Dance Series)

CORDYLINE AUSTRALIS

Like its dancing namesake, Cordyline 'Paso Doble' is dramatic and exciting! Selected as one of the superior Cordyline Dancing Series, bred in New Zealand, 'Paso Doble' exhibits strong, upright growth and stunning deep pink foliage, overlaid with dark purple. Variegation becomes more pronounced as foliage matures. Use as sentinels in containers, either side of a path or entranceway, focal point at the end of a garden vista, or simply to impart colour and interest in a garden bed. Plant in free draining soil, in sun or semi-shade, in a sheltered position. Low maintenance plant. Evergreen.
