Zumba (Dance Series)

CORDYLINE BANKSII X AUSTRALIS X PUMILO

A funky addition to any garden, Cordyline 'Zumba', one of the superior Cordyline Dancing Series bred in New Zealand, forms a large clump of beautifully arching, bright pink, narrow foliage with cherry-red margins. 'Zumba' is one of the most attractive container plants, but equally as stunning in a garden bed, where it's colour and form will provide excellent contrasts, especially when juxtaposed with dark green, bold textured plants. Plant in free draining soil, in sun or semi-shade, in a sheltered position. Low maintenance plant. Evergreen.

SIZE	H 1.5m x W 1.0m
BLOOM TIME	Spring, early summer (selected primarily for foliage)
FOLIAGE	Broad width, pink on red hues
HABIT	Clump forming, weeping foliage
PROPAGATION METHODS	Tissue culture
