

## Loveheart

LAVANDULA PEDUNCULATA

Fall in love with the sweetheart of the lavender world. 'Loveheart' is a gorgeous, bushy lavender with deliciously fragrant foliage and flowers. Flowering early in the season 'Loveheart' blooms catch the eye with their delightful musk-pink wings atop an intense magenta flower head. With its enchanting aroma and well-branched, upright growth, 'Loveheart' is perfect for picking or for use in potpourri. Use as a feature in containers on the patio or deck, in garden beds or to create a low, fragrant hedge. Grow in a sunny, well drained position. Feed in spring & summer and prune lightly after flowering to maintain shape. Tolerant of heat and humidity but make sure to protect from heavy frost. Evergreen.
