## Pink Promise

MAGNOLIA SOULANGEANA HYBRID

Bred in New Zealand by revered Magnolia breeder Vance Hooper, Magnolia 'Pink Promise' forms a tidy, rounded, compact small tree. In mid to late spring, pinkish-purple, sharply pointed buds open to large, elegant blooms, revealing blush-pink to white inner petals with a darker base. Not only are a phenomenal number of blooms produced from a young age, you can also expect to discover a second show of gorgeous blooms, nestled amongst the foliage, in mid to late summer. 'Pink Promise' is an excellent choice of specimen tree for a small garden, or background subject in a large mixed border. Plant in a sunny, sheltered position, in well-composted, well-drained soil. Deciduous.

<b>SIZE</b>	H 3m x W 2m (10 Years)
<b>BLOOM TIME</b>	early spring / repeat flowers mid to late summer
<b>FOLIAGE</b>	Mid-green
<b>HABIT</b>	Rounded, compact, small tr
<b>PROPAGATION METHODS</b>	Budding / Grafting / Cutting
