Gold Strike

AGAPANTHUS PRAECOX

This colourful New Zealand selection has fantastic golden & green variegated foliage, topped from mid summer with dainty flower heads made up of deep blue buds opening to elegant picotee blue & white striped individual blooms. 'Gold Strike' is a striking accent plant, excellent for mass planting in the border or as a star performer for pots on the deck or patio. A great addition to the easy care, summer border. Drought tolerant. Hardy. 0.4 x 0.4m. Flower stem 0.6m.
