## Royal Flush

PHORMIUM TENAX HYBRID

Phormium 'Royal Flush' is an outstanding selection, sporting highly polished, deep burgundy foliage. It forms an elegant, nicely formed clump of slightly arching foliage with good architectural form. Use 'Royal Flush' as textural and colour contrast in garden borders or containers. Repeat planting throughout the garden will create an appealing rhythmic effect of colour, texture and form. An ideal choice for exposed and coastal gardens and although tolerant of dry soils, the best performance comes from planting in moist, fertile, well-drained soil. Evergreen.

<b>SIZE</b>	H 120cm W 100cm
<b>BLOOM TIME</b>	N/A
<b>FOLIAGE</b>	Sword-like, deep burgundy, shiny
