Black Coral

COLOCASIA ESCULENTA

'Black Coral' is a stunning addition to the Colocasia ROYAL HAWAIIAN® series with its distinctive blue veins set against dark, glossy black foliage. These large luscious leaves are perfect to give your garden or patio a tropical feel. With its tidy clumping habits the ROYAL HAWAIIAN® series work well in a container, garden or larger landscape setting, making them extremely versatile. Sturdy and disease resistant 'Black Coral' are happy in full-sun, partial-sun and even semi-shade and perform best with moderate to moist water conditions.
