Blue Hawaii

COLOCASIA ESCULENTA

‘Blue Hawaii’ is an exciting addition to the Colocasia ROYAL HAWAIIAN® series with its large undulating foliage and lively contrast between the dark veins and bold green fronds. These large luscious leaves are perfect to give your garden or patio a tropical feel. With its tidy clumping habits the ROYAL HAWAIIAN® series work well in a container, garden or larger landscape setting, making them extremely versatile. Sturdy and disease resistant ‘Blue Hawaii’ are happy in full-sun, partial-sun and even semi-shade and perform best with moderate to moist water conditions.
