White Lava

COLOCASIA ESCULENTA

'White Lava' is a unique addition to the Colocasia ROYAL HAWAIIAN® series with its distinctive white stripe that runs down into the veins, creating a stunning pattern against the rich green foliage. These large luscious leaves are perfect to give your garden or patio a tropical feel. With its tidy clumping habits the ROYAL HAWAIIAN® series work well in a container, garden or larger landscape setting, making them extremely versatile. Sturdy and disease resistant 'White Lava' are happy in full-sun, partial-sun and even semi-shade and perform best with moderate to moist water conditions.
