Dark Secret

HEUCHERA HYBRID

Watch out for the mysterious good looks of Heuchera 'Dark Secret' and its trifecta of outstanding qualities. Strong, intensely dark foliage, heavily ruffled leaves and rich flowering season make for a winning combination all year round. 'Dark Secret' works beautifully in perennial borders, in mixed containers or anywhere that you want to add texture and colour contrast to your garden. This wonderfully versatile plant flowers richly throughout summer and can fit in anywhere; it flourishes in full sun or shadowy corners and likes all types of soil. On top of that 'Dark secret' is easy maintenance and very hardy - a sure thing for all types of gardens. Evergreen.
